

# CERTIFICATE

---

(Student's name)

The student has successfully completed the study module on future thinking.

This means that they have mastered the basic concepts of futures studies, the principles of future thinking, and have practiced critical thinking.

As a result, they are able to recognize different ways to influence the future and assess the significance of decisions related to the future as well as the underlying values that shape them.

On behalf of Tulevaisuuskoulu,  
this certificate is awarded by
